Date: 4<sup>th</sup> August, 2025

Hon Akinwole Akinleye,  
Executive Chairman,  
Akinyele Local Government,  
Moniya, Ibadan.

Dear Honourable,

**AKINYELE CALL: REVIVING THE GLORY OF MONIYA COMMUNITY LALIGA STADIUM\_**

The Akinyele Local Government, a hub for community-driven initiatives, has long encouraged football participation among youth, fostering social and cultural development. Investing in grassroots programs builds a strong foundation for sporting success, improves public health, and empowers young talent.

We humbly appeal to the Executive Chairman of Akinyele Local Government, Hon. Akinwole Akinleye, a renowned sports enthusiast and youth advocate, to turn attention to the iconic Akinyele Moniya Stadium, affectionately known as Laliga or Aladala. After years of abandonment, erosion, and neglect, including the absence of essential equipment like goal posts, the stadium's former glory has faded.

We respectfully request your administration's support in revitalizing this cherished landmark. We propose:

1. Upgrading facilities and equipment
2. Funding initiatives
3. Creating opportunities for youth accessibility
4. Implementing adult and youth programs
5. Fostering skill development and character building
6. Ensuring positive media coverage
7. Establishing trial programs and volunteer role models

***By restoring the stadium to its former glory, your administration can:***

1. Upgrade the infrastructure
2. Extend the stadium's capacity
3. Install goal posts and line markings
4. Provide solar power for safety

This initiative will not only revive the stadium but also leave a lasting legacy, cementing your administration's commitment to youth development and community empowerment. We eagerly await your response and support in reviving the Laliga Stadium.
